How do I...
Change my course entry page?

You can change your course entry page from the homepage to any other page within your course.

Changing your Course Entry Page
1. You must first make sure that you have the area in which you want to be your course entry page already created.
   a. Make sure “Edit Mode,” is “On”
   b. Click on the “+” on the top of the course menu
   c. Select “Create Content Area” or “Create Tool Link”
      i. Content areas is a place you can post documents
      ii. Create Tool Link will allow you to create an area for something like the Announcements
   d. Give it a name, make it available to users, and click on Submit
2. Once you have the area created in your course menu you will need to go to the control panel and click on Customization
3. Next, click on Style
4. Scroll down to number 4, “Select Course Entry Point.”
5. Use the drop down menu to choose the new course entry point, such as, Announcements.
6. Click on Submit.
