

Report on BOT/UFF Collective Bargaining

The collective bargaining teams for the FAU Board of Trustees and the United Faculty of Florida met in the initial session for the 2007-2008 contract reopener negotiations on June 15, 2007. The UFF team provided proposals for Article 23 (Salaries) and Article 12 (Non-Reappointment). The UFF will also reopen and seek new contract language for Article 24 (Benefits). The BOT team is not reopening contract language for these negotiations. The parties agreed in the interim to proceed with promotion increases at the beginning of the academic year at the current rate of increases.

The bargaining teams will conduct its next negotiation session on August 8, 2007.
