Greetings from
FAU Parent and Family Programs

Welcome to those new to our Parent and Family Programs updates and to those who are continuing to support students. The Office of Parent and Family Programs is here to answer questions, provide resources and support, and to assist through any challenges you may encounter while supporting your student at FAU. Throughout the year, these eNewsletters will contain important information, such as university deadlines, student opportunities, and ways you can get involved. You are able to unsubscribe at any time. We look forward to working with you as partners during your students’ time here.

Parent & Family Weekend 2017

Parent and Family Weekend is a three-day exploration of the Florida Atlantic University experience for parents, families, and current students. This is a wonderful chance for you to spend time with your student while getting engaged in FAU campus life and the surrounding community. This traditional fall program offers families and students the opportunity to participate in many events together while interacting with the organizations, people, and places that have become important to your student.
