GENERAL INFORMATION

As a United States citizen and Florida resident 60 years of age or older, you may attend Florida Atlantic University’s undergraduate courses tuition-free on an audit basis when space is available. Florida residency may be obtained when you have lived in the State of Florida for at least twelve (12) consecutive months immediately prior to the first day of classes. All applicants must complete the Non-Degree Enrollment application and the Non-Degree Residency Classification form and submit the required documentation, regardless of the duration of their presence in Florida. A Florida resident for tuition purposes is defined as an individual who has resided in the state for 12 consecutive months while not enrolled in an institution of higher learning, prior to the beginning of classes, and who has established legal ties in Florida according to Florida Statute 1009.21.

Classroom space for 60+ Audit is based on availability after regular student registration. To ensure that all credit students are accommodated first, registration for 60+ Auditors takes place a few days after classes begin. Please do not contact instructors, as this will not provide access to the course.

The Schedule of Courses (to be posted on February 18) is not verification of the availability of the courses listed. However, only those courses listed in the schedule may be taken tuition-free for 60+ Audit if they are available.

Courses are held at the campus indicated in this schedule. Since space is limited, please plan alternatives to your first choices. We ask that you register only for courses you plan to attend so that other 60+ Auditors will have the opportunity to register for the courses they wish to attend.

PARKING DECAL

You will need to purchase a decal from Parking and Transportation Services to park on campus. Vehicle registration is also required. Note that outstanding tickets prevent enrollment. More information about parking will be provided at registration or call 561-297-2771.

OWL CARD (FAU PHOTO ID)

An Owl Card is required, for which a one-time fee is assessed. More information about the Owl Card will be provided at registration.

**Auditor Etiquette**

To audit means to listen. The extent of participation in class discussions is established by the individual instructor. The interests of the tuition-paying students must remain primary.

Auditors: Please sit behind the students enrolled for credit. The instructor expects to see and be able to call on these students as part of the class discussions. Also, please do not invite guests to attend classes with you.

On the 60+ Audit registration day, you may enroll at the Registrar’s Office in the Student Support Services Building at the Boca Raton campus. To enroll in classes at other campuses, please go to the Registrar’s Office of that campus on the 60+ Audit registration day.
