To comply with Florida's State Board of Education regarding the Gordon Rule, all students must successfully complete 12 credits of writing and 6 credits of mathematics, with grades of "C" or higher, as a requirement for admission to the upper division. Courses approved to satisfy the Gordon Rule's writing component, administered through the Writing Across Curriculum Program at FAU, are coded as WAC(Gordon Rule) in the FAU course schedule and catalog. Courses approved to satisfy the Gordon Rule's mathematics component are coded as Gordon Rule, computational in the FAU course schedule and catalog. To have courses from out-of-state institutions evaluated as Gordon Rule equivalent, students must provide either a course syllabus or a letter from the previous institution on official letterhead that demonstrates they have fulfilled the writing or mathematics criteria listed above.
