The Last days to Drop, Pay, and Withdraw without receiving an F are determined using the following criteria:

For classes that meet less than 8 weeks, the last day to drop is the second business day following the first day of class. The last day to pay is the third business day after the class has begun.

Students have five business days after the class has begun to withdraw without receiving an F.

For classes that meet for 8 weeks or more, students have 5 business days to drop and 1 week to pay. Students will have until the end of the sixth week to withdraw without receiving an F.
