

Florida Atlantic University

Regulation 4.009 Major Medical Insurance Requirements for Foreign Students.

No foreign student shall be permitted to register or be permitted to continue enrollment at Florida Atlantic University without demonstrating that he/she has adequate major medical insurance coverage for illness or accidental injury. A medical insurance policy or certificate which restricts its use to a specific institution, hospital, clinic, infirmary or other health care agency or restricts its use to a particular locale or provides that the insurance proceeds are not payable in United States currency will not be deemed adequate.
