Regulation 4.013 Exceptional Circumstances Withdrawals

(1) PURPOSE.

The purpose of this regulation is to outline the process and procedure for a student to request a withdrawal from the University for Exceptional Circumstances.

(2) The Exceptional Circumstances Withdrawal (ECW) Committee is comprised of the following persons:

(A) Associate Vice President (AVP)/Dean of Students or designee (chairperson)
(B) Representative from Student Health Services
(C) Representative from Counseling and Psychological Services
(D) Representative from Student Accessibility Services
(E) Other campus administrators may be invited to participate at the invitation of the AVP/Dean of Students.

(3) Meetings will be held weekly or as needed. A minimum of three (3) committee members must be present to hold a meeting or recommend action. The ECW committee will meet to review and discuss ECW applications and recommend action to the AVP/Dean of Students.

(4) Process for requesting an Exceptional Circumstances Withdrawal

(A) A student who finds it necessary to withdraw from the University for an exceptional circumstance after the official drop/add of courses without consequences deadline must request to do so in writing to the AVP/Dean of Students.

(B) Acceptable Reasons for Exceptional Circumstances Withdrawals include:

1. Physical illness or injury
2. Mental illness
3. Death of an immediate family member (parent, step-parents, spouse, child, sibling, or grandparents)
4. Call to active military duty
5. Victim of a crime
6. Primary caregiver to immediate family member
7. Other reasons, on a case-by-case basis
An Exceptional Circumstances Withdrawal is for all classes during the current semester, not for any individual course(s).

The application for Exceptional Circumstances Withdrawal must be filed with all documentation attached within the semester for which the withdrawal is requested. Complete applications received after the semester ends, but within six (6) months of the occurrence of one of the events listed under paragraph (4)(B) herein may be considered at the AVP/Dean of Students’ sole discretion if the student’s documents demonstrate that it was not possible to file in a timely manner for reasons outside of the student’s control.

All documentation must be in English or translated into English, and the translator’s signature must be notarized. The translator must be someone other than the student or a relative of the student.

If the request for Exceptional Circumstances Withdrawal is granted, the student’s transcript will reflect a “WM” for all courses attempted during that semester, which indicates that the student withdrew from all of their classes because of exceptional circumstances. “WM” notations do not affect the student’s grade point average.

An Exceptional Circumstances Withdrawal that is granted will authorize a refund of 100 percent of the tuition and associated fees assessed for the applicable semester, adjusted for waivers and financial aid. Students receiving financial aid are encouraged to speak with a representative from the Office of Student Financial Aid. Students residing on campus are encouraged to speak with a University Housing representative regarding their housing. Students with a meal plan are encouraged to speak with a Business Services representative.

The decision of the Vice President for Student Affairs is considered final agency action.

The documentation will be reviewed by the ECW committee, which will make a recommendation to the AVP/Dean of Students or designee, as to whether to continue the student’s prohibition of enrollment, reinstate the student with conditions, or reinstate the student with no conditions.

(10) Nothing herein shall reduce the commitment of the University to accommodate the needs of students with disabilities who are able to participate in University functions without hazard to themselves or to others.
