HUD Programs

Armando Fana
Miami Field Office Director
HUD’s Role

- HUD provides a variety of housing and community development services:
  - Funding to housing/community development providers (public housing/vouchers, CDBG/HOME, homelessness grants)
  - Monitoring and oversight of the providers and their use of the Federal HUD funds
  - FHA
  - Technical assistance
  - Enforcement of fair housing rights to preserve housing opportunities for all
  - Research and data collection on trends in housing and analysis of what works (affordable housing barriers)
  - Innovative housing programs (alternative construction methods, healthy homes, energy efficiency, regulatory barrier reduction)
HUD’s Role

Outreach and Education

– Education and outreach to providers, prospective providers and the public seeking housing solutions

» Brochures.

» In-person presentations to the public.

» Organization of outreach activities with local entities.

» Education on HUD programs to interested developers, housing counselors and faith- and community-based organizations.

Office of University Partnerships

- Provide funding opportunities to colleges and universities to implement community activities, revitalize neighborhoods, address economic development and housing issues, and encourage partnerships.

- Create a dialogue between colleges and universities and communities to gain knowledge and support of partnership activities and opportunities as well as connect them to other potential partners and resources.

- Assist in producing the next generation of urban scholars and professionals who are focused on housing and community development issues.
Office of University Partnerships
