Webinar:
“IRB Review of Research Involving Adults with Diminished Capacity to Consent”

Thursday, October 25, 2012
3:30 pm—5:00 pm
College of Nursing Room 209

Research involving persons with diminished capacity to consent requires careful oversight. For researchers that study these populations, either directly or through incidental inclusion, guidance is available on how to assess, consent, and monitor persons with diminished capacity throughout the research process.

Speakers:
Leslie I. Katzel, M.D., Ph.D. And Susan Stayn, J.D.

Dr. Leslie I. Katzel is an Associate Professor of Medicine in the Division of Gerontology and Geriatric Medicine, Department of Medicine, University of Maryland School of Medicine and Baltimore Veterans Affairs Medical Center (BVAMC); and Clinical Director of the BVAMC Geriatric Research Education and Clinical Center (GRECC).

Susan Stayn is Senior University Counsel representing Stanford Hospital & Clinics, Lucile Packard Children’s Hospital, and Stanford University. She advises on a wide range of healthcare and research regulatory and corporate matters. She received her A.B. from Harvard College, magna cum laude, and her J.D. from Columbia Law School, where she was editor-in-chief of the Columbia Law Review.
