

2014-2015 GOALS

1. Research and propose a revision of the Student Travel process to simplify and automate travel application workflow. – COMPLETED
2. Cross train and restructure staff roles in the Department of Student Government in order to better serve students in advising, administrative practices, and best practices in the State University System. Train new staff over the fall & spring semesters in order to effectively serve the students. – COMPLETED
3. Re-map the Student Government website to include greater access to public information, enhanced details about Student Government Programs and programming, and more visible history of what Student Government does at Florida Atlantic University. – COMPLETED
4. Reorganize the Student Government Alumni Leaders program with a marquee event happening in the fall and spring, the creation of a Student Government newsletter to send to current and alumni leaders and the creation of a more advanced/updated database. – COMPLETED
