Room: 215 G

MINUTES

1. Call to Order
   a) The meeting was called to order by Ryan Ebanks at 2:32 PM.

2. Roll Call

3. Approvals

4. Open Forum: Boris Bastidas: Last semester was an issue about the SG Seal. It affects
many of the GAC members. There is an issue with filling the executive order. You all can
still use whatever logos you have. Anthony Zeitlin: Are the logo and the seal
interchangeably? Bastidas: To me a logo and a seal are spate. The way the executive order
is written makes it confusing. Since he went the wrong way about it, what he wrote is
void. David Bynes: Introduces himself to the GAC as Associate Director of SIL and
Megan as new Grad Assistance.

5. Discussion Topics – FAU Spell out: Getting in touch with Mr. Silverman to see if we can
get use of the stadium. In the beginning stages of planning. Further updates to come.
Stress Week: Stress week is in April (16-24) and will be our main concentration.
Directors – think of events for stress week please. Theme for stress week is Zen. Yoga
classes, soft music, et cetera.

6. Director of COSO: Ella Tepper: January is the busiest month for COSO. Emergency fund
meetings have begun. The Clubhouse has expended a little. A lot more traffic. The work
stations have been moved around and no one has to apply for them. The locker spaces
however still require an application. The annual budget process is the biggest thing going
on.

7. Director of GSA: Anthony Zeitlin: Finally found a replacement for the Chair. Tosha was
hired about a week ago. This year we are going to do more organizational work. We
would like to work more closely with the colleges on campus. We will be at the UBAC
on Saturday. Basketball Mixer on Feb 8. Limited to 50 people due to fire safety hazards.
We are going to do a Mixer with the Broward GSA. Haven’t finalized the date. March 15 networking event.

8. Associate Director of Night OWLS: Derek Smith: Not much is going on. 3 carts are out for maintenance. And 1 of them has been out since the beginning of the semester. Last night the fire alarm went off at Coyote Jack’s so we closed for a bit.

9. Director of Marketing: Maya Carroll: Ayden has hired an Executive Marketing Director. He just started. If you have any campus wide marketing you need, I can pass that along.

10. Associate Director of MP: Kristina Fritz: This month if Jewish Heritage month. Drag Dingo event this Tuesday. Next Thursday is movie night – x-men. Asia fest Tuesday the 17th of April.

11. Director of PET: Aubrey Mallinger; Twitter them bed race. Any club can enter. No chairs allowed. Multiple prizes to be won. iSpringSafely event in Febrary.

12. Director of PB: David Bynes in for the Director: Looking forward towards a great semester. Working on some movie nights. Programing happening on Fridays and Saturdays. Finalizing February’s comedy show. Please see Bobby if you have any questions.

13. Director of SAVI: Ricardo Maisonneuve: Second volunteer opportunity next week. Jan 23 is national mentor month. Thank you cards for mentors. Held in Sago Palm. Feb 15 we have event for women to donate hair.

14. Treasurer: Chris Naff: If you have any questions please come see me in the office. Please try to make the time to reconcile your accounts. It’s not required but it’s something that should be done.

15. Chief of Staff’s Report: Rebecca Capata: Report NONE.

16. Student Government Coordinator: Mike Burdman: Welcome back to spring Semester! White out basketball next Thursday the 25th. Bob Marley’s nephew is coming to play. Should be a lot of fun. The website is up to date with all the events. Anything you want to add just shoot me an email. Any questions about programming, my office is always open.

17. Open Forum: Heather Bishara: Election season has begun. Elections are Feb 28-29. The forms to run for an elected position are in the SG office. These are required to run for an
elected position. Any questions I encourage you to contact me. Rally in Tally is next week.

18. Governor’s Report: Ryan Ebanks: Thanks to all the directors for all you’ve done. Best programming seen in a while. But remember to take time for yourself. Don’t over work. It’s been a pleasure working with you.
