WHEREAS: In 2007, former university President Frank T. Brogan signed the President’s Climate Commitment, as a part of this commitment FAU established a sustainability committee in order to achieve the goal of a sustainable FAU and to reduce our carbon footprint, and;

WHEREAS: During the 4th Legislative Session the Environmental Action Committee (EAC) was created as an Ad-Hoc committee by the Boca Raton House of Representatives, and;

WHEREAS: The EAC was dedicated to continuing the mission of the President’s Climate Commitment. It was brought to the committee’s attention that the Breezeway Cafeteria did not have any recycling bins, and;

WHEREAS: The lack of bins in the Breezeway Cafeteria raises a serious question about our campuses sustainability efforts and commitment, and;

WHEREAS: As the Environmental Action Liaison I propose that the Boca Raton House of Representatives purchase five recycling bins from Busch Systems International in the amount of five hundred and six dollars ($506.00). Four of the bins will be placed in the Breezeway Cafeteria and one will be placed in the adjoining Outtakes, and;

WHEREAS: In order for the student body to know that these bins were placed by Student Government, we also propose to purchase vinyl decals that will be affixed to the bins with the FAU logo and a statement that indicates they were provided by the Boca Raton House of Representatives, and;

WHEREAS: The cost of engraving five (5) full colour vinyl decals from EDCO Awards is fifty-six dollars and fifty cents ($56.50). NOW;

THEREFORE BE IT RESOLVED: That the Boca Raton House of Representatives allocate a total of five hundred and sixty-two dollars and fifty cents ($562.50) from the House Contingency account (S20012) for the purchase of five bins from Busch Systems International and five vinyl decals from EDCO Awards.
