WHEREAS: The Center for Learning And Student Success is requesting funds for all the learning communities in the learning community program to participate in the Ropes Course during the 1st 2 weeks of the Fall 2011 semester. The learning community program is made up of 20-25% of the incoming freshman class with close to 600 freshman students being involved, and;

WHEREAS: Several learning communities took part in the ropes course last year and these communities benefitted greatly from doing so. I would like to extend this opportunity to all the students involved so that all students in the program can benefit, and;

There are 10 Living-Learning Communities (LLCs) and 20 Freshman Learning Communities (FLCs) totally 30 learning communities in all.
