New Business:
Confirmation of New House Representatives, Samantha Normil, Stephanie.
Speaker: Please step forward.
Bynes: Ask the House is they have any questions for them first.
Speaker: Ok are they any questions for the representatives?
Labastille: Why would you like to join the House of Representatives?
Samantha Normil: I would like to be more involved. I am also an accounting major so I would like to do more for the business aspect of the school. I would also like to help in seeing more envolement in school and campus activities. I also would like to promote more campus safety and health.
Speaker: Are there any other questions for the representatives? Are there any objections?
Hearing none, raise your right hand please. I Stephanie Davila, Samantha Normil, Here by affirm to uphold the office of house representative and to abide by the constitution of the student government of Florida Atlantic University. The statutes incorporated there to, to strive for the betterment of the student body through which I was elected. Congratulations you are now official House representatives. You may now take a seat at the table. Next order under new business is the election of a speaker pro tempore. Are there any nominations?
Agoras: I nominate Tamara.
Speaker: Is there a second?
Norwicki: Second.
Speaker: Representative Labastille was nominated by representative Agorus and seconded by Norwicki. Now you have two minutes to address the Houses questions.
Labastille: Hello Everyone I am Representative Labstille. I want to be speaker pro tempore because I would like to be involved an extra step more than just a representative, I’m here all the time on campus because I work downstairs in the student union. So I will be available, for if any reason Jared isn’t here I will be available for any questions. I have a lot of experience in
leadership and helping with meetings and contacting people and giving my extra help. I would like to be pro tempore for all those reasons.

Speaker: Are there any questions? Seeing no questions you are now speaker pro tempore.

Davidson: Point of order: This is technically your election now and you do a roll call vote and then it is done.

Roll Call Vote is done: All Approve

Speaker: Next order of business is for a House secretary. Are there any nominations for House Secretary.

Labastille: I nominate representative Pressoir.

Norwicki: Seconded.

Speaker: Nominated by pro tempore, seconded by Norwiki. Representative Pressoir you may have the floor now.

Pressoir: The reason I would like to be House secretary is I want to be more involved in this campus it means a lot to me. I would like this campus to be more of a home campus. Everyone look to Boca like it is the real school rather than Davie. Just because we may not be able to travel all the way to Boca doesn’t mean that we don’t want to be involved. I really want to show that we can be just as live as they are. I am really dedicated. I actually left the hospital and came straight here. This means a lot to me. Any questions?

Roll Call Vote is done: All Approve

Speaker: quick Point of order, we just added two new representatives and they have not voted on either one, Associate Justice Paul can we cap and vote for both?

Davidson: No as long as you have two thirds.

Speaker: Congratulations House secretary Pressoir. Next order of business is appointment of a Parliamentarian. I would like to appoint representative Schlissel as the House Parliamentarian. Are they any objections to my appointment to representative Schlissel? Seeing none Mr. Schlissel you are now the House Parliamentarian. Next order of business is the appointment of a Campus Budget Committee Chair. I would like to appoint representative Agoras for budget chair. He is an accounting major and is very enthusiastic and has been to my office a lot working with me. Any objections?

Davidson: Give him the opportunity to speak, if he declines than, but give the opportunity to speak.

Speaker: Do you accept the nomination?

Agoras: Yes.

Speaker: Are there any objections to the appointment? Seeing none, congratulations Mr. Agoras you are now chair of the budget committee. Next order of business is the Governor’s report. Do you have a report?

**Governor’s Report:**

Russo: We have spirit day Monday and Tuesday. Dania starts at 11:30 for Davie it starts at 3:30 and Tuesday is Fort Lauderdale campus and that starts at 4pm. Everyone is welcome to be there. There is food DJ’s and a dunk tank with volunteer Jared. Now Homecoming parade on Friday, and if you want to help build the float it would count as volunteer hours. Saturday is our Homecoming football game and bus is leaving from here to go to Boca and then to the game. There is a tailgate at 12pm and kick off is at 4 pm. it would be nice if you guys came and showed some Broward spirit.
Speaker: Are there any questions for madam Governor? Seeing none, the next order of business is Senators report. And since there are no senator’s here today, next order of business is the associate’s justice report

**Senator’s Report:**
Felipe Vargas: None
Elizabeth Edwards: None

**Associate Justice’s Report:**
Davidson: There is nothing going on in student court right now. I was a senator for almost 2 years for Broward and fought on a lot of issues. You guy are going to learn this really fast and it great that we have a full House right now. Roberts rule are like nothing. When I first started, I didn’t know what I was doing and I know a lot of you may feel the same way. But what you put into it is what you will get out of it. So congratulations to all of you and good luck in fighting for our campus

Speaker: Thank you associate justice Davidson. Are there any questions for the associate justice?
Schlissel: What kind of cases come before you?
Davidson: Basically, if 15 people ran and there are 12 seats that would mean 3 people lose. No hypothetically if you were leading in the vote and one of the losers wanted to do a contestation against you and claim you were campaigning in the student union a student funded area. Now if someone were to catch you and have valid proof than that person will bring it to the election committee and go to the court. That person will petition the court and then we would hear the case to see if anything illegal was done. Also assigned elections. This meeting you are holding right now is a legal meeting, it was called to order, roll call, etc. but say you guys were meeting outside campus and someone found out that is against the statues. If you are found guilty, then we will decide what happens to you. We see if you are in violation of statues and the constitution. If you guys right a bill it will then go over to the chief justice to see if it is legal. If it is not, it will become null and void and you will have to rewrite it. Similar to a real legislator of the state, you all held by laws. So if anything is illegal its up to us to determine it. Student court doesn’t come around much unless there are some serious petitions.

Speaker: Are there any further questions for the associate justice? Seeing none, Next order of business is the advisor report.

**Student Government Advisor’s Report:**
David Bynes (or appointed delegate): Advisor Capp
Capp: You guys are all doing a really good job making sure that you are open to everyone’s commentary. I just want to encourage you all to be more vocal. I just putting that out there that you should take it upon yourself to investigate a little bit but you guys are all doing a great job in make sure everyone is on the same page. A+ for you guys. I know everything is kind of new, Roberts rules are a little weird, but it become like putting a knife through butter. You will get used to it, besides the House. Homecoming is next week and I encourage you to participate as well. If you have the opportunity to come to these events, do it. I am going to yield the rest of my time. You guys have any questions?

Speaker: Are there any questions for Advisor Capp?
Schlissel: Will you be coming more?
Capp: I’m filling in for David.
Speaker: David is our usual advisor
Capp: You are free to drop by my office any time. I run the Davie student union university wide program, so if you have any questions on how that is ran. Investigate how you are using your ANS fees.
Speaker: Anymore questions of the advisor? Seeing none, on to the next order of business, announcements.

Yes next week is spirit week, we really need your cooperation and we need as many house representatives at theses events as volunteers. We need to show everyone that Broward is not just a commuter campus. If any one can give some time, Monday morning at Sea Tech and afternoon in Davie. Tuesday evening we’ll be downtown. Friday is the big day and we will be there float and we will be walking. If anyone wants to walk email me at Iris@owlproductions.

Are there any others in the gallery who would like to speak? Seeing none, Next order of business, unfinished business.

We needed to have this meeting to appoint a budget chair so we cold get the ball moving for time and date of future meetings that will be two weeks from today on Thursday. Is everyone ok with 3:45? I heard people say the earlier the better. So which time is better 3:30 or 3:45?
Labastille: 3:30 is to early.
Schlissel: Yea just a little bit too early.
Speaker: Not 3:30. So 3:45 it is. Ok. Next unfinished business is the unofficial meeting at Downtown campus. By unofficial I mean that I will not be discussing any business it will not be called to order and there will not be a meeting in chambers. This will be held during the bi-week that we are not meeting in chambers. It’s not mandatory to attend it is at Downtown campus and we will figure something out about the time. We will go down there to talk to the students and make ourselves more visible.
Schlissel: When you say Downtown, you mean Fort Lauderdale building?
Speaker: Yes and I actually have friend there who can give us a tour and find out what the students need. We all take classes at Davie but don’t know what going on Downtown.
Schlissel: I have classes Downtown. I know it pretty well.
Speaker: That’s good to know. Are there any questions about our Downtown meeting? Seeing, None. The next order of business is final roll call.
