Pushing for gender identity to be added as well. President Maher discussed that FAU is the only school in Florida with a centralized student government President Maher’s executive board ordered promotional items with the new student government seal. They ordered 500 banners to be distributed to local businesses and partner campuses. These banners will help market the school and get our brand out there and target businesses. Polo shirts were also ordered for Boca campus SG with the new seal. The President’s Chief of Staff, Eric Dansky, serves as a representative in the housing and dining committee. SG is looking into a number (56012) to text for student government updates. Polytechnic campus of USF succeeded from system of USF. It is going forward and potentially becoming states 12th university. Potential drop in funding. There will be a rally after winter break in which FAU will take a bus of students to Tallahassee to meet with local state legislators talking to government about issues with higher education.

i. Questions and discussion:

1. Speaker Gopaldas stressed the importance of the Student Government seal in unifying SG and allowing students to understand the vast range of things that SG sponsors but raised concerns about the look and color and putting it on promotional items. She also raised concerns that none of the partner campuses were consulted about the implementation of the seal or given the opportunity to give input in the matter. President Maher stated that FAU SG will address issues concerning the seal as they arise but the executive order remains in place.

2. Speaker Gopaldas raised that while Recreation on this campus is partially funded by Student Government, it remains inefficient for them to have to implement the SG logo on their promotional items. Advisor Ferrando said that while the funding for Recreation comes out of A &S fees, Student Government does not directly fund it. Thus, President Maher concluded that putting the seal for the Recreation center on this campus will remain optional, but it shall not be on the Boca campus.

3. Speaker Gopaldas discussed the concerns about President Maher’s not responding to MacArthur Campus House emails, and that President Maher has not sent any President reports or attended House meetings this school year. President Maher apologized and stated that he has recently been absent from Student Government affairs due to numerous reasons.

7. Governor’s Report:
   a) Governor Lange will be hosting a Governor’s Open Forum on November 21st from 6-7pm in the Dining Hall Annex. Governor Lange, Speaker Gopaldas and
Dean Chase will be at the forum to hear the student body’s opinions on how the university is doing. Governor Lange encouraged students to attend this event and voice their concerns in order to bring changes to the school. Night breakfast is on 29th of November. There is a GAC meeting on Monday November 21st at 4:00 p.m. A campus round table occurred on the morning of November 18th. This meeting consists of all department heads and occurs twice a semester. Governor Lange encourages students to work hard do well on the final exams on the first week of December.

8. Speaker’s Report:
   a) Speaker Amrita Gopaldas congratulated the house for a successful Coffee Break event. The event received positive feedback, and targeted commuter students. Speaker Gopaldas submitted the House budget for next year. Main requests included a new computer for the Speaker’s office and that Pro-Tempore becomes a paid position in the House. Representative Lopez announced she will be studying abroad in Japan next semester and is thus resigning from the House. The House will be in need of a new rules committee chair. Interested members of the House are to contact Speaker Gopaldas for more information. The House is accepting two new candidates to fill in the vacant positions. Deadline for applications is Dec. 1st. Representatives are encouraged to look for possible promotional items for the Spring Semester. Constitutional Review Committee meeting is pending at the moment. Speaker Gopaldas inquired to President Maher as to when that meeting is to occur. President Maher said that there is no set date at the moment. He raised concerns with the modification of the constitution, and his hesitancy to call a meeting with the CRC.

9. House Discussion:
   a) The house introduced the idea of redoing the Coffee House event during a shorter time span and with more materials. Possibility of buying 100 ice cream bars and distributing 50 in first half and 50 in second half. House applications are in Speakers mailbox in SR 122 or one may email the Speaker requesting one. The House discussed the possibility of ordering house t-shirts or Polo. President Maher suggests printing the new Student Government seal instead of stitching it to save money. President Maher discussed the possibility of doing a University-wide tree planting ceremony on all campuses on Earth Day.

   b) Possible projects:
      i. Representative Lopez brought up the logistics of creating a LGBTQIA community safe zone center. Advisor Ferrando addressed the obstacles in creating this center. There is little space in the school for such as resource center as well as issues concerning staff supervision of this center. The privacy of the center is also an issue, however Advisor Ferrando stressed the importance of such a place on this campus.
      ii. Recycling bins need to be implemented throughout the school. Trashcans and recycling bins are also needed in the parking lot. Advisor Ferrando will look into the logistics of such projects and how much money will need to come out of the House budget.
iii. The House would like to write a resolution to address the Jupiter Campus sprinkler system by the library.
iv. Speaker Gopaldas will talk to Campus Recreation about the replacement of the hammocks.

c) Club Reports:
   i. Spanish club spoke to President Elizabeth Johnson of Environment Club about the possibly community garden for the Jupiter Campus.

d) Open Forum:
   i. Executive Assistant Jason Edwards, went to a city council meeting advocating for banners to implement them on glades road. Executive Assistant Edwards also discussed tailgating on the Boca campus. Governor Lange raised concerns about possible partner campus tailgating. Although tailgating learning process members from all campuses are encouraged to come out and be welcomed at the Boca Campus.
