4. Reports

   a) COSO: The March COSO meeting went well as long as the COSO Director
      Information session that followed. Also, in the last week of March will be the
      COSO programming week known as Diversitas. The marketing requests for
      materials have been turned in and ordering has taken place. Lastly the
      nominations for the SOAR banquet have been distributed and are due back on
   b) Marketing: Director Estes reported that on March 22, 2012 the Pie Eating
      Contest, known as the Hunger Games, prizes will be awarded for first, second and
      third places.
   c) House of Representatives: Pro Temp Ngugi reported that the budget for the next
      fiscal year has officially passed in the House. The next upcoming event they have
is for April 2, 2012 from 3:00 PM -5:00 PM. Also, in the last House meeting, the House formally took a vote of No Confidence against President Maher and there have been talks of impeachment. The grounds for the vote are: his inability to communicate and inattention of partner campuses. Further, the only time the President has come to the campus was when impeachment talks happened in the Fall, and the new executive marketing director still has not visited the campus. The vote is mostly symbolic and everyone has hopes for improvement from the administration.

d) SAVI: Director Norcini reported that “Kindness Week” will be in the coming week (March 19, 2012- March 23, 2012). There will be a different event each day for the campus to participate in. Also, there is a volunteer banquet coming up, so people from this campus should be nominated.

e) Treasurer: Treasurer Ricketts reported that the Senate approved the University wide budget on March 15, 2012.

f) Program Board: In the coming week there will be sign up to go to Go Van Gogh as well as to the rapids Waterpark. Also, Leigh Nash is scheduled as the next “Coffee House” performer for April 11, 2012. The Spring Formal will be on March 21, 2012 with a dinner at 7:00 PM and the dance beginning at 8:00 PM. Lastly Director Williams looked at the budget and found that there was an extra $5,000, so Program Board will be able to host Inflate-A-Day.

g) Campus Recreation: On March 16, 2012 Recreation will be hosting the second round of Bootcamp as well as the student Faculty softball Game. There will be a self-defense course on March 23, 2012 from 3:00-4:30 PM. As well as tennis clinic hosted by Dr. McGovern. Recreation is also working with COSO for the Olympics event that will take place during Diversitas which will include the opening of the pool.

h) Governor: Governor Lange reported about the Vote of No Confidence: it is a mechanism for the legislative body to tell the executive that they aren’t doing their job. There are no specific criteria, nor are there any direct repercussions from it. The president can only be impeached if he is not following the constitution. Governor Lange also reported that the Owl Country Campaign was a great success on our campus. Also, the Last Lecture date will need to be changed again due to a conflict with the Owlettes & Co. Dance show. Frisbee for Friends is set to happen on March 17, 2012 and there will be four teams participating. Lastly, there will be a focus session with the provost so she can get to know us and our concerns. This will take place on April 2, 2012 at 11:00 SM in the DH.

i) Advisor: the GAC needs to be doing achievement awards, especially for the unpaid student leaders on campus. We should also be encouraging people to go to the Cornel West Lecture on March 22, 2012.

5. GAC Discussion:
   a) As far as the Student Life picture is concerned, we still need concrete, usable ideas as well as a date for the picture.
