

TESTING

Laboratory tests needed to assist in diagnosis and follow-up are available at reduced fees. Some diagnostic tests (EKGs, ultrasounds, etc.) are available at reduced fees; X-rays and other sophisticated diagnostic testing are referred to community resources, where the student is responsible for payment for services.

IMMUNIZATION/SCREENINGS

The following immunizations are available at discounted fees:

- Measles, Mumps, Rubella
- Meningitis
- Hepatitis B
- HPV
- Tdap (Tetanus/Diphtheria/Pertussis)
- Influenza
- Tuberculosis (TB) testing

MEDICAL RECORDS

Your medical records contain a complete history of your health care at Student Health Services and are completely confidential. Medical records cannot be released without your written consent. The only exceptions to the above are:

(1) information necessary for public welfare and (2) records subpoenaed by the court. A small fee is charged for copies of medical records.

MEDICAL INSURANCE

A student accident and sickness insurance plan is available for reasonable fees. Brochures presenting this program and its costs are available at Student Health Services. International students must show proof of insurance to the Office of International Students and Scholars.

SPECIAL PROGRAMS

STUDENT HEALTH ADVISORY COUNCIL (S.H.A.C.)

The new Student Health Advisory Council serves as the official student board for health services. Student members serve as liaisons to the student body and ensure students receive high quality health care and health education. For further information, call (561) 297-3516.

TODAY & BEYOND WELLNESS

Today & Beyond is the health promotion arm of Student Health that offers wellness opportunities designed to foster responsible, healthy lifestyle choices. Through a myriad of comprehensive educational programs, entertaining events, and support services, students are presented with information that will enable them to stay healthy, safe, and to succeed at college and in life. The Today & Beyond office, located across the Breezeway from Student Health in SS-8 Room 222, provides a lending library of books, tapes, and pamphlets on various health and wellness topics. Staff members and peer educators are available to assist students in accessing campus and community resources and to offer support with health-related issues.

THE PEER EDUCATION TEAM (PET)

After receiving educational training in wellness topics, peer educators assist in the design and facilitation of workshops, peer theater presentations, classroom programs and numerous fun events and activities.

WELCOME TO FAU STUDENT HEALTH

OUR MISSION

The mission of Student Health Services is to provide and promote quality health care and wellness education and resources that are essential for the academic and personal success of members of our diverse university community.

OUR VISION

Student Health Services will be an outstanding resource committed to meeting the changing health and wellness needs of the university community.

ELIGIBILITY

All FAU students who are enrolled in the current semester are eligible for services. Students enrolled in the previous semester may be eligible for services; inquire at Student Health. Proof of current enrollment is required. All students must present a valid photo ID before receiving services.

LOCATION & HOURS

We are conveniently located on the Boca Raton campus in the Student Services 8 West Building, Room 240. Open Monday through Thursday 8:00 a.m.–6:00 p.m. and Friday 8:00 a.m. to 5:00 p.m. Closed Saturday, Sunday and holidays.

STAFFING

Board-certified Physicians, Advanced Registered Nurse Practitioners, Registered Nurses, a board-certified Dentist, Dental Hygienists, and a well trained support staff work cooperatively to provide comprehensive quality health care. All professional staff members are Florida State licensed, registered and/or certified depending on their expertise and service areas.

MEDICAL CLINIC

The Student Health Fee, part of your tuition, helps defray the costs for routine visits for common illnesses and injuries. Fee-for-services charges are assessed for office visits, medications, treatments and supplies, among other services.

WOMEN'S CLINIC

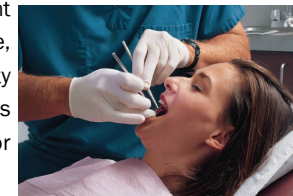

Our staff provide a variety of gynecological services that include routine annual check-ups (pap smear, pelvic and breast exam), contraception counseling, pregnancy testing, and treatment for sexually transmitted diseases and vaginal infections. Additional educational information is also provided. All services are provided for a reduced fee by appointment only.

PLEASE NOTE:

Student Health Services does not provide excuses for missed classes. Appointments must be cancelled by 5:00 PM the workday prior to the scheduled appointment to avoid being charged a \$10.00 fee for medical/women's clinic appointments or \$20.00 for dental appointments.

DENTAL CLINIC

A consultation and oral exam by the dentist, cleaning, x-rays and other dental procedures are provided for reduced fees by appointment only. For treatment other than those listed above, referrals are made to community dentists, where the student is responsible for payment for services.

EMERGENCY SERVICES

Emergency services, those required for life-threatening conditions, are not provided by Student Health Services. For a medical emergency on campus, please call Campus Police at 911 or (561) 297-3500. If emergency services or medical attention are required after hours, two nearby facilities are the Boca Raton Community Hospital (561) 395-7100, and U.S. Healthworks Walk-In Medical Center (561) 368-6920.

PRESCRIPTIONS

The FAU Pharmacy serves FAU students, faculty, staff and other community members. The Pharmacy is located in Building SS-8 upstairs from the Breezeway Food Court on the Boca Raton campus.

A wide selection of over-the-counter items and prescription medications are maintained or are typically available within 24 hours. Prescriptions may be transferred to the FAU Pharmacy from community pharmacies with your permission.

For more information about our Pharmacy, visit our website: www.shs.fau.edu.

IMMUNIZATION REQUIREMENTS

To comply with the Florida Administrative Code, all students, prior to registration, must submit a FAU Immunization Form. All students born after 1956 must also submit documented proof of immunity to Measles and Rubella. To comply with the Florida Statute, all students living on campus must submit documentation of vaccination against Hepatitis B and Meningococcal Meningitis or sign a waiver for each vaccine. Documents must be submitted to the Immunization Office before you can register for classes. You may also fax documents to (561) 297-2769.

For more information, please contact the Immunization Office at (561) 297-0048 or visit our website: www.shs.fau.edu.
