Welcome to the Broward Student Government family and congratulations on taking the first step in forming or renewing a student organization here at FAU Broward. Enclosed in this manual you will find the policies, procedures and forms that you will need in completing the registration, operation and activities of your organization. Please remember to review the manual to ensure that you have completed all the required forms to recognize your organization or plan an event or trip.

College life is not just about what happens in the classroom, it's also about what you do with your time outside of the classroom. The Office of Student Development and Activities (SDA) is here to make your time outside of the classroom worthwhile and fulfilling. We in SDA view ourselves as a resource – we are here for YOU! Don't hesitate to stop by Davie Office in the Liberal Arts Building, room 108 or Downtown/Ft. Lauderdale Office in the Higher Education Complex, room 507H, if you have any questions or need any help. We look forward to your organization's growth and success!

Sincerely,

Terry C. Mena
Associate Director

Karen Esteves
Assistant Director

Daniel Molina
Inter-Club Council Director
