

FEES

The FAU Davie Student Wellness Center is 100% funded by Broward Student Government. For this reason, currently enrolled FAU students are eligible for a FREE membership since they pay Activity and Service (A&S) fees as a part of their tuition.

Non-FAU students are charged a membership fee. See detailed cost below. Membership includes access to the fitness center, specialty classes, intramurals, fitness evaluations, exercise programming and other wellness programs.

For information on how to pay for a non-student membership, contact the Wellness Center: Browardwellness@fau.edu or 954-236-1018
