

# QUICK TECHNOLOGY GUIDE

## STREAM WITH XFINITY ON CAMPUS

We offer Cable TV Services through Xfinity on Campus as part of your FAU Housing experience. Xfinity on campus is a streaming service, so you will no longer need a coax cable or cable box. You can stream more than 100 live TV channels and thousands of Xfinity On Demand shows and movies directly to your laptop, desktop, and mobile devices while staying connected to the FAU campus network. You can record and watch two shows at once, you have 20 hours of recording storage, and you can download and watch even when you are offline. Includes channels such as HBO, CINEMAX, ESPN, and much more. The instructions to set up specific devices can be found on the this link:

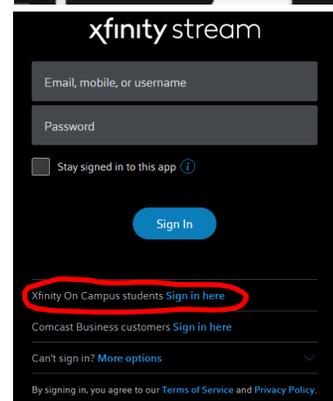

<https://www.xfinity.com/support/articles/activating-xfinity-stream-smarttvs>

The Xfinity Stream App is available on the App Store, Google Play, the Amazon Kindle, and any compatible Smart TV. If you would like to use Xfinity on Campus on your TV but it is not compatible, we recommend that you get a Roku Device from this list of supported Roku devices found on this link:

<https://support.xfinityoncampus.com/hc/en-us/articles/115004909567>

To stream with your personal computer, follow the steps below.

1. Please visit the following link and click sign in:  
<https://www.xfinity.com/stream/>
2. Next click on where it says **Xfinity On Campus students Sign in here** and search for **Florida Atlantic University**.
3. You will be redirected to FAU's single sign on page. Sign in with your FAU credentials.
4. You will be redirected again, from here please follow along Xfinity's activation process to begin streaming.
