4 YEAR FLIGHT PLAN TEMPLATE: BA in Biological Sciences

FAU is committed to your success as a student. One way we define student success is efficient and effective progression through your degree program.

This Flight Plan is a tool to assist you in planning the courses you should complete and the milestones you should reach during your undergraduate studies so you may graduate on time. It is our intention that you complete this planning tool in *collaboration with an academic advisor* to ensure good understanding of:

- Which graduation requirements you have satisfied
- Which Intellectual Foundations and elective courses match your career plans
- How to balance coursework with your other responsibilities (e.g., employment) and optional activities (e.g., mentored research, study abroad, student organizations, leadership)
- How to get the most from your academic experience at FAU

Your academic advisor will help you customize and maintain your Flight Plan during the next four years so that you stay on track for success at FAU. In order to graduate on time, you will need to:

- Complete an average of 30 credit hours per year
- Earn 120 credit hours, at least 45 in the upper division (3000 or 4000 level)
- Earn at least 9 credit hours in summer coursework (or equivalent)
- Complete the Intellectual Foundations Program courses, including the foreign language requirement, and
- Complete the degree requirements of your major

This unofficial guide is to be used in conjunction with regular academic advising appointments. Not all University and State degree requirements are listed. For a full degree audit, see an advisor in Student Academic Services.

Flight Plan: BA in Biological Science

NOTE: Some students may be required to maintain a GPA of 2.75 or higher to remain eligible for scholarships or to be stronger candidates for admission to internships, graduate programs, and professional schools. Please confirm your required GPA with your academic advisor.

YEAR 1		
Semester ___: () Summer (X) Fall () Spring		
Courses and Credit Hours	Milestones	Advising Tips
BSC1011/L Biodiversity	4	Complete ENC1101, MAC1105, BSC1011/L with C or better 1. Complete Major KnOWLedge 2. Set up a profile in CareerLink Portal 3. Have initial advising appointment with advisor. 4. Utilize DARS / print and read audit. 5. Visit tutoring resources on campus. 6. Aim for an overall GPA of 2.7 or higher. 7. Attempt to CLEP foreign language
ENC1101 English Composition 1	3	
MAC1105 College Algebra	3	
PSY1012 General Psychology	3	
Total	13	
Balance/Other Commitments & Activities: IFP = Foundations of Society and Human Behavior, 2 courses from two different departments Foundations of Global Citizenship, 2 courses from two different departments, one must be from Global Perspectives area Creative Expression, 2 courses from two different departments Composition, Math and Science requirements completed in major		
Semester ___: () Summer () Fall (X) Spring		
Courses and Credit Hours	Milestones	Advising Tips
ENC1102 English Composition 2	3	Complete ENC1102, MAC 2233, CHM2045/L and BSC1010/L with C or better. 1. Formalize major choice. 2. Aim for an overall GPA of 2.8 or higher.
MAC2233 Methods of Calculus	3	
BSC1010/L Biological Principles	4	
CHM2045/L General Chemistry 1	4	
Total	14	
Balance/Other Commitments & Activities: All students are required to take 9 credits in the summer. Summers can be used to catch up if you have not earned 30 hours per semester, failed a course and need to repeat it or to accelerate your graduation date. Attend in Summer if your GPA at end of spring is < 2.0

Tips For Success

- Meet with your advisor at least once a semester.
- Monitor your progress in your courses; “check-in” with your instructors regularly!
- Check your degree audit every semester.
- Stay aware of important deadlines.
- Take advantage of resources FAU has made available to you to help you succeed on your flight.
