FAU is committed to your success as a student. One way we define student success is efficient and effective progression through your degree program.

This Flight Plan is a tool to assist you in planning the courses you should complete and the milestones you should reach during your undergraduate studies so you may graduate on time. It is our intention that you complete this planning tool in collaboration with an academic advisor to ensure good understanding of:

- Which graduation requirements you have satisfied
- Which Intellectual Foundations and elective courses match your career plans
- How to balance coursework with your other responsibilities (e.g., employment) and optional activities (e.g., mentored research, study abroad, student organizations, leadership)
- How to get the most from your academic experience at FAU

Your academic advisor will help you customize and maintain your Flight Plan during the next four years so that you stay on track for success at FAU. In order to graduate on time, you must:

- Meet every semester with your music advisor
- Earn at least 45 in the upper division (3000 or 4000 level)
- Earn at least 9 credit hours in summer coursework (or equivalent)
- Piano class is not required; however, class piano aids in preparation for piano proficiency requirement. This list includes class piano in the event student needs the class.
- This degree requires 15 additional electives, which may be in music. Your area advisor can assist you in selecting these courses

Your advisor will help you identify what additional milestones apply to you, as well as how you may even graduate early or enter an accelerated graduate program. If you have any questions at all about your FAU Flight Plan, feel free to contact any of the following individuals for assistance. They are here to help!

Tips for Success

• Meet with your advisor at least once a semester.
• Monitor your progress in your courses; “check-in” with your instructors regularly!
• Check your degree audit every semester.
• Stay aware of important deadlines.
• Take advantage of resources FAU has made available to you to help you succeed on your flight.

This unofficial guide is to be used in conjunction with regular academic advising appointments. Not all University and State degree requirements are listed. For a full degree audit, see an advisor in Student Academic Services.
