Additional Information
- The ALEKS Math Placement Test is REQUIRED before beginning math at FAU. Students can access ALEKS by clicking on the “Students” tab on the MyFAU homepage.
- SLS 1503 – Learning Strategies & Human Development is REQUIRED in the first semester for students who participate in Jumpstart and Learning Communities. It is also REQUIRED for recruited athletes and students living in Glades Park Towers.
- Foreign language is required for certain majors. It is recommended that students start in the first language sequence which is numbered 1120 (for example: SPN 1120). Students interested in taking Spanish or French are REQUIRED to take an online placement test to determine their placement. Access to placement test: http://www.fau.edu/spanish/SPN.php
- Pass/Fail grading is available for: AMH 2010, AMH 2020, ARH 2000, AST 2002, & CHM 2083. This option must be selected by FAU’s drop/add deadline. No major course may be taken as P/F.
