The O.N.E. Program is a collaborative partnership between University Advising Services and the Career Development Center.
Exploring Your Purpose: Kindergarten! Middle school! High School graduation! COLLEGE? How’d I get here so quickly? Have you stopped to think about “why am I here? Do I really belong here? What is my purpose for attending college?” Join us for a discussion on WHY you are here and where you are headed.

Finding Your Gorilla: “Finding your Gorilla while at FAU.” Not sure how that relates to finding a major? Attend and experience a hands on process to DISCOVER your strengths and passions, DREAM about possibilities and DESIGN a way to get there.

Career and Technical Fair: Career Day is a job fair for full-time, Co-op/internships and part-time employment opportunities. Companies participate to recruit FAU students and alumni at this event.

Co-op Workshop: This workshop will provide you an overview of the Co-op program and how to apply for Co-op. In the workshop you will receive an application and instructions on how to complete the application process.

O.N.E. Goes Global: Studying abroad is an unforgettable adventure that can change your world views and open up new ideas of how to start a career doing something you love. Just ask us! While studying abroad, Nicole and Madison, Academic Advisors at FAU, discovered their love for working in education. Learn why studying abroad is important personally, academically and professionally at our presentation.

Intro to CDC Workshop: This workshop provides students with a comprehensive overview of services and career resources, with particular emphasis on programs, services and events recommended for freshman including: Major Knowledge, Carnival of Majors, and career counseling/advising.

See Your Dreams Become Reality—Vision Boarding with a Purpose: Have big dreams for your future? Join us as we help you create a collection of images, pictures, and words that will inspire you to achieve those dreams. Channel your creativity and ambition into a self-made masterpiece that will keep you motivated each and every day.

Creating Your Social Media Brand: Students will have the opportunity to learn about how they can utilize campus resources and social media to enhance or refine their employable personal brand.

Grad School Fair: The Fall 2014 Professional/Graduate School Information Day will showcase various graduate and professional programs from around the country and here at FAU. It allows students to speak directly to admissions representatives and inquire about application procedures and how to maximize their chances of being admitted.

Choosing a Major Workshop: Choosing a major is an exploration process that involves conducting a self-assessment and world-of-work research. This workshop can help students understand that process. It is meant for students who are having a difficult time choosing a major or are unsatisfied with their current major and would like to learn the process of a deciding a different major.

Pack Your Values: Pack your values for a trip through college and beyond! Join this interactive workshop to discover what you value most and how those values translate to your college experience.

Peer Panel—Exploratory to Declared: Exploring which major is the right one for you may be confusing – but you are not alone! Come join this workshop consisting of a panel of your peers who are previous exploratory. These students want to share with you how they got to their “aha” moment of finally choosing a major, challenge the myths connected with being an exploratory student and provide information that will help you on your personal path to declaring a major.

The Finishing Touch—Professional Photos & Create Your Own Business Cards: Give yourself that polished presence as you take your next steps into the networking world. Take advantage of this amazing opportunity to have your professional headshot taken and create your own business card—for free!

Perception is Everything: “How are you perceived?” “How do you want to be perceived?” This workshop will assist you in understanding how perception and reputation can influence your future opportunities.
