# Owl Nation Exploration Milestone Checklist

---

[www.fau.edu/uas/one.php](http://www.fau.edu/uas/one.php)

## Summer: Prepare For Your Journey

	Check your FAU email regularly for important information
	Complete Major KnOWLedge online
	Complete the Online Advising & Resource System (OARS)
	Register for the Passport to Success Conference
	Attend Orientation
	Request your personalized business card starter pack for networking through UAS
	Attend Weeks of Welcome – Watch online for Owl Nation Exploration Activity

## Fall: Discover Your Interests

	Meet with your Academic Advisor (Your Advisor is the same as your OARS Advisor)
	Stop by the CDC during Same-Day Career Advising to create your Individual Learning Plan
	Participate in an Exploratory Activity of your choice (Check the web for a schedule of events)
	Reconnect with your Academic Advisor – Share your Exploratory Activity experience
	Participate in an Exploratory Activity of your choice
	Follow-up with your Academic Advisor – Discuss class selection and direction for spring semester
	Have a major in mind? Complete a Change of Major form with your Academic Advisor
	Still don't have a declared major? Sign up for SLS1301 to help you make an informed decision

## Spring: Design Your Academic Path

	Review your Individual Learning Plan with a Career Advisor during Same-Day Career Advising
	Interview a declared student, professional, or faculty member about their experience in the industry
	Share your interview notes with your Academic Advisor & reflect on the experience
	Participate in an Exploratory Activity of your choice
	Meet with your Academic Advisor – Discuss class selection and direction for summer/fall
	Still need to declare your major? Complete a Change of Major form with your Academic Advisor

## Fall: Dream Big About Your Career Options

	Complete your personal profile & upload your resume into FAU's job portal, OWL <i>CareerLink</i>
	Conduct an informational interview with a professional via the Professional Mentor Program
	Meet 1-on-1 with a Career Advisor – Discuss internships and professional preparation
	Participate in a day of job shadowing with a professional of your choice
	Meet with your Academic Advisor – Discuss the next steps to take your education to the next level
