The BSN degree requires 60 credits minimum of required nursing course work. For Accelerated and Traditional* tracks, courses in the Nursing major are concentrated as upper division work after completion of all prerequisites. For the Freshman Direct Admit track, courses in the Nursing major are strategically placed throughout the four years.

*After fall 2016, applications for the Traditional track will no longer be accepted. The College of Nursing is a limited access program and admission into Nursing is a four-step process. Please review the website - [http://nursing.fau.edu/](http://nursing.fau.edu/).

1. Admission to FAU (this does not mean student will automatically admitted into Nursing)
   a. Obtain a minimum of ‘C’ in all prerequisite courses
   b. Maintain minimum cumulative GPA OF 3.0.

2. Apply to Nursing after all prerequisites and elective requirements are met. This applies only to the Accelerated and Traditional Tracks and not the Freshman Direct Admit Track. Students must meet all University and College of Nursing requirements for graduation.

➢ Nursing Entrance Exam Score – TEAS: This applies only to the Accelerated and Traditional Tracks and not the Freshman Direct Admit Track.
