SPANISH MAJOR PREREQUISITES

Number of credits to satisfy the prerequisite requirement depends on the proficiency level of each individual student in the Spanish language. Students with more than one year of a Spanish language in high school who have not taken a college level Spanish language courses need to take a Spanish Placement Test (http://www.fau.edu/spanish/SPN.php). Students who are Heritage/Native speakers of Spanish language need to consult an LLCL advisor regarding their placement and take a Spanish Language Placement Test for Heritage Speakers. CLEP exam credits can be used to satisfy requirements for SPN 1120 and SPN 1121. FLEX requirement is being satisfied by completion of SPA 1121 or SPN 1340 or higher. Students who are Spanish Majors or who are considering majoring in Spanish are strongly encouraged to start taking Spanish language classes in their first semester at FAU.

Spanish majors with 30 or more credits are advised through the Languages, Linguistics, and Comparative Literature Department (LLCL) and are strongly encouraged to work closely with the LLCL Advisor and Faculty Mentor in that department when choosing major courses and electives. Due to the specifics of language majors, Spanish majors with less than 30 credits may seek “major only” advising from LLCL Advisor in addition to required Freshman Advising. All course selections should be made in consultation with an advisor in the Languages and Linguistics and Comparative Literature Department. Students must get a “C” or above in their major courses. No major course can be taken pass/fail; also 45 credits must be completed at the 3000/4000 level. All Incomplete/Non-Reported grades must be resolved prior to graduation term. Students can benefit from using their “Free Electives” to complete a second major or a minor in the Department of Languages Linguistics and Comparative Literature.
