ITALIAN MAJOR PREREQUISITES

Number of credits to satisfy the prerequisite requirement depends on the proficiency level of each individual student in the Italian language. Students with more than one year of an Italian language in high school or students who are Heritage/Native speakers of Italian language may enroll in a higher level course and need to consult an LLCL advisor regarding their placement. FLEX requirement is being satisfied by completion of ITA 1121 or higher. Students who are Italian Majors or who are considering majoring in Italian are strongly encouraged to start taking Italian language classes in their first semester at FAU.

Italian majors with 30 or more credits are advised through the Languages, Linguistics, and Comparative Literature Department (LLCL) and are strongly encouraged to work closely with the LLCL Advisor and Faculty Mentor in that department when choosing major courses and electives. Due to the specifics of language majors, Italian majors with less than 30 credits may seek “major only” advising from LLCL Advisor in addition to required Freshman Advising. All course selections should be made in consultation with an advisor in the Languages and Linguistics and Comparative Literature Department. Students must get a “C” or above in their major courses. No major course can be taken pass/fail; also 45 credits must be completed at the 3000/4000 level. All Incomplete/Non-Reported grades must be resolved prior to graduation term. Students can benefit from using their “Free Electives” to complete a second major or a minor in the Department of Languages Linguistics and Comparative Literature.
