

TRANSIENT STUDENTS: FAU IS YOUR TRANSIENT INSTITUTION

Students attending other institutions are welcome to take classes at Florida Atlantic University. Since these students plan to transfer classes from FAU back to their Home Institution, they are classified as “transients” by the State of Florida.

Students at Florida State University System institutions can complete the form online by accessing www.FloridaShines.org.

Transient students continue to be advised by their home institution, which determines whether they have met the necessary prerequisites before enrolling in the FAU course.

Once FAU has approved you as an inbound transient student, you will be notified through www.FloridaShines.org electronically. Please read the comment section of your form for pertinent information from FAU.

When you have completed your FAU course(s) and grades have posted, you must order an Official Transcript through <http://myfau.fau.edu/> to receive proper posting of your credits at your Home Institution.

For questions regarding your transient application, you should contact the Registrar's Office at 561.297.3050 and listen to the prompt for the appropriate extension.
