Success Network software: Starfish

The screenshot displays the Starfish Success Network software interface. At the top, there is a yellow header bar with the text "Student Name" and a close button (X). Below this, a navigation bar contains buttons for "Flag", "Kudos", "Message", "Note", and "Appointment". On the left side, a sidebar menu lists various options: "Overview" (selected), "Info", "Success Plans", "Courses", "Meetings" (highlighted with a red box), "Notes", and "Network". The main content area is titled "Student Information" and contains a large purple placeholder box with the text "Student Information". To the right of this area is an orange box containing the text "Picture", "Z number", and "Email". At the bottom of the main content area, there is a small blue icon and the text "FERPA standards protect student data."

Welcome to the Charles E. Schmidt College of Science

Congratulations on your success thus far at FAU. We invite you to visit the Science Advising Services Office to discuss your academic plan as you continue to progress towards a timely graduation and the achievement of your academic goals.

You have been assigned to an academic advisor in the College of Science and your advisor is available to make the transition from University Advising Services to the College of Science seamless. We are eager to discuss your academic goals, major options, course selections, and answer any questions that you may have as you work towards graduation. For your convenience, you may schedule an appointment to meet with your advisor through the Success Network in MyFAU (<https://myfau.fau.edu>).

Please contact Thabita Joseph, Program Assistant, if you need assistance scheduling an appointment. Her contact details are below. Our advising hours are Monday through Friday by appointment (8:00am-5:00pm).

Charles E. Schmidt College of Science Advising Services Office
Science Building, Rm 308
561-297-3700

Sincerely,

Evonne Rezler, Ph.D.
Associate Dean of the
Charles E. Schmidt College of Science

College Advising

- College advisors help students navigate curriculum/rules toward timely graduation
- College advisors connect students to:
 - tutoring (SI),
 - financial aid,
 - career advising (Career Center/embedded Career Liaisons),
 - faculty mentors,
 - undergraduate research opportunities.

Faculty connection

- Please use Canvas grade book to enter progress grades
- Enter mid-semester grades for your students

- Visit your College Advising team
- Please refer students to your College Advising Office or UAS
