Subject: WAC Approval for PHI 3320: Philosophy of the Mind

Hello Prof. Malanowski,

The proposed course PHI 3320 Philosophy of the Mind was "Approved with Revisions" by the WAC Committee.

The adjustments are very minor and I will summarize them in a separate email thread. You can simply forward the updated syllabus to me for WAC's course record when finished; it does not need to be reviewed again by the committee.

I understand that it has already been sent to the UUPC agenda. Onward!

Best,
Julianne
