Re: Catalog Changes Regarding Certificates
Date: September 27, 2017

Brian Hodge would like all certificates at the university awarded as soon as they are completed rather than waiting for the completion of the primary degree as well. The current catalog language for Arts and Letters precludes this. He has asked us to revise it and we support the change:

Under Dorothy F. Schmidt College of Arts and Letters, Certificate Programs:

The Dorothy F. Schmidt College of Arts and Letters offers certificates of study in interdisciplinary fields at the undergraduate and graduate levels. Courses taken for a certificate program may be used to fulfill other general and specific degree requirements, just as courses taken to fulfill other requirements may be applied to the certificate curriculum. Certificates are awarded upon completion of the bachelor's, master's or doctoral degree the certificate requirements. The certificates are described below.
