Memorandum

To: Undergraduate Programs Committee
From: Rebecca Lautar, Chair, Department of Music
Re: Change of title MVK 3173
Date: September 21, 2016

A handwritten signature in black ink, appearing to read 'Rebecca Lautar', is written over the 'From:' line of the memorandum.

The Department of Music proposes the following change to MVK 3173 Jazz Class Piano:

- Change the title to “Commercial Music Class Piano”
- Document the pre-requisite requirement

Rationale

The old title is a carry-over from the Jazz concentration in the Bachelor of Music in Performance. When the department terminated the jazz concentration, the Jazz Class Piano course remained because it was also required in the Bachelor of Music in Commercial Music in order to satisfy piano proficiency requirements. The title change demarcates the specific proficiency requirements that are covered in the class that are specific to the Commercial Music degree requirements.

The change does not affect degree credit requirements or time-to-degree progress.
