The goal of Florida Atlantic University’s honors programs is to successfully prepare our students for their futures and to lay the foundation for a lifetime of learning.

For academically exceptional freshmen, we provide two opportunities: the University Honors Program located on the Boca Raton campus and the Harriet L. Wilkes Honors College located on the Jupiter campus—40 miles north of Boca Raton.

THE UNIVERSITY HONORS PROGRAM – An exciting and challenging experience, the program is designed to provide students with exceptional and rewarding learning opportunities through special Honors Seminars. The advantages of the University Honors Program include small class sizes, close contact with many of the University’s top-ranked faculty as well as special advising and registration. The program is an excellent beginning for a distinguished academic career in post-baccalaureate studies, professional studies or the pursuit of excellence in your career path. Learn more by visiting www.fau.edu/admissions and click on “Honors Programs”.

THE HARRIET L. WILKES HONORS COLLEGE – The Honors College provides a unique living/learning environment for students who are highly motivated and want the challenge of taking every course in their college program at the honors level. Located in Jupiter, it is a small, selective, residential college where students support one another in their academic pursuits and goals. The opportunity to encounter innovative ideas and diverse perspectives is just one of the distinctions found in the Honors College experience. Merit based scholarships are offered to every admitted student. Learn more by visiting www.honorscollege.edu.

We also offer honors programs within the majors for upper-division students.

- The College of Business Accounting Scholars Program – Students complete the BBA and Master of Accounting while also completing the requirements of the Florida Board of Accountancy to sit for the CPA exam.

- The College of Engineering and Computer Science Innovation Leadership Scholars Program – Students gain invaluable practical experience and access to industry leaders.

- The Dorothy F. Schmidt College of Arts and Letters – The college has honors programs in several majors: communications, history, music and languages, linguistics and comparative literature. Additional details are available through the departments.

- The Charles E. Schmidt College of Science – The college has honors programs in mathematics, biology, physics and psychology. The programs require a written honors thesis or project.

We invite you to learn more by visiting the websites of the individual colleges and their departments. Visit www.fau.edu/explore/CollegesandDegrees.php.
