How to Activate your FAUNet ID

Visit accounts.fau.edu and click on the “Activate your FAUNet ID” link.

You will receive a warning that once you begin, you must complete the activation process. Click Proceed when you are ready.
Enter your last name, FAUNetID, and Date of Birth. Click Continue. (If you do not know your FAUNetID, please return to the home page and click “Lookup your FAUNet ID”) Check the box and complete the task for the CAPTCHA. Click Continue to Proceed.

Click the drop down arrow and select the home address you entered on your application.
You can enter your phone number for future password resets, or click Opt-Out. Click Update after you enter a phone number.

Enter a personal email address and enter to confirm it. Click Update. The recovery email cannot be your FAU email.

Check your personal email account for the verification email. The subject line is “FAU Account Activation Link”
Open the email and click on the Confirm Recovery Email button.

Click Continue to complete activation.

Click the drop down arrow and select the home address you entered on your application.
Enter and confirm your new password.

- Password must be at least 8 character(s) long.
- Password must contain characters from at least three out of following four categories
  1. Uppercase alphabetic characters (A-Z)
  2. Lowercase alphabetic characters (a-z)
  3. Numerals (0-9)
  4. Non-alphanumeric characters (for example: !, $, #, or %)

Please wait a moment while the password synchronizes through the systems.
Once it is complete, you will see “Your password has been saved.”
