Maxwell Simonson, Class of 2022
DOUBLE MAJORING IN BUSINESS MANAGEMENT AND COMPUTER SCIENCE

Involvement: Student Admissions Representative, Alumni Ambassador, Student Government Representative, Greek Life, Neuroscience Club, Tennis Club, Scuba Club, Somos FAU, Reformed University Fellowship

Advice for incoming students: There are tremendous opportunities at this school, so make sure you take part in them. Get involved. Join something. Invest your time productively. You’ll meet people and make new connections that are invaluable.

“ All my professors either currently have businesses or have had them in the past. They have so much experience, which I really appreciate. The skills I’ve learned from my classes translate to real world experiences.

Take the helm and realize there is no limit to what you can achieve.”
