STAY ON TOP OF EVERYTHING, INCLUDING YOUR MONEY.

STOP BY YOUR NEAREST PNC BRANCH AT 1150 W YAMATO RD,
BOCA RATON, FL, TO LEARN MORE, OR VISIT [PNC.COM/FAU](https://pnc.com/FAU)

PNC Virtual Wallet Student® makes managing your money easier.

MADE FOR A STUDENT'S BUDGET

Virtual Wallet Student is checking and savings combined and features online and mobile¹ banking, no monthly service charge for 6 years from the date of account opening,² and access your money fee-free at nearly 18,000 ATMs across the country, as listed on our ATM locator.³

LOW CASH MODESM

We believe how you handle overdrafts should be in your control, not just your bank's. You'll have at least 24 hours to bring your available Spend account balance to at least \$0 before you're charged overdraft fees.⁴

DIGITAL TOOLS TO TAKE CONTROL

See what's available to spend with the Money Bar®, create budgets and set alerts to stay on track, see paydays and upcoming payments in the Calendar, and automate savings and track progress toward your goals.

¹ PNC does not charge a fee for Mobile Banking. However, third-party message and data rates may apply. These include fees your wireless carrier may charge you for data usage and text messaging services. Check with your wireless carrier for details regarding your specific wireless plan and any data usage or text messaging charges that may apply. Also, a supported mobile device is needed to use the Mobile Banking app. Eligible PNC Bank account and PNC Bank Online Banking required. Certain other restrictions apply. See the mobile banking terms and conditions in the PNC Online Banking Service Agreement.

² Virtual Wallet Student has no minimum balance requirement or monthly service charge for active students for six years from the date of account opening. You may be asked to provide proof of active enrollment in a qualifying educational institution. At the end of the six years, your account will be converted to Virtual Wallet and subject to the Virtual Wallet Features and Fees in effect at that time. If you transfer this account to a different product or account type during the first six years, you will forfeit the benefits of the Virtual Wallet Student account and will not be able to transfer back to the Virtual Wallet Student account.

³ Visit pnc.com/locator to find a PNC or PNC Partner ATM near you where PNC customers can access money fee-free.

⁴ Low Cash Mode is only available on the Spend account of your Virtual Wallet Student product. In order to avoid overdraft fees, you must bring the available balance in your Account to at least \$0 before your Extra Time expires. If you make a deposit, the time it takes for your deposit to be reflected in your available balance and for those funds to become available to you will vary based on the deposit type and time. Depending on your deposit type or your deposit time, your deposit may not be available before your Extra Time period expires, and you may incur overdraft fees. See your Funds Availability policy for more information. Overdrawing an account, maintaining a negative available balance for any period of time, and returning transactions as unpaid may have other consequences, including account closure or negative impacts to your ability to obtain financial services including loans, deposit accounts, and other services at PNC and other institutions.

Low Cash Mode is a service mark of The PNC Financial Services Group, Inc.

Virtual Wallet Student is a registered trademark of The PNC Financial Services Group, Inc.

3 STEPS TO BECOME AN OWL

1. APPLY

Complete and submit the online application and pay the non-refundable \$30 application fee at fau.edu/apply.

2. CREATE YOUR SSAR

Create your Self-reported Student Academic Record (SSAR) through your AppStatus portal at appstatus.fau.edu and report your school transcripts. Please refrain from sending your transcripts directly to FAU.

3. REPORT YOUR SCORE

Self report your SAT/ACT scores in your SSAR or via the AppStatus portal.

**Official scores are required only after receiving an admissions decision (SAT code: 5229 | ACT code: 0729).*

POWERED BY FLORIDA ATLANTIC UNIVERSITY® INNOVATION AND BUSINESS DEVELOPMENT

The Florida SBDC at Florida Atlantic University is a member of the Florida SBDC Network, a statewide partnership program nationally accredited by the Association of America's SBDCs and funded in part by the U.S. Small Business Administration, Department of Defense, State of Florida, and other private and public partners, with the University of West Florida serving as the network's lead host institution. Florida SBDC services are extended to the public on a nondiscriminatory basis. Language assistance services are available for limited English proficient individuals.

Campus Life

While FAU's research-based curriculum will take you to new heights, campus life will help you soar! To find out more, visit fau.edu/lifestyle

Get Involved

With more than 400 student organizations, there are countless opportunities for Owls to make memories while making waves!

- Join a club within your field of study that will enrich your academic experience
- Make a difference in the community through student activism or volunteering
- Get active by participating in intramural sports or Campus Rec activities
- Gain valuable leadership skills and experiences in student government
- Make lasting friendships and memories as a member of a Fraternity or Sorority
- Can't find a club or organization which interests you? Start your own with the help of staff and faculty advisors

Don't Miss Out On The Campus Experiences Waiting For You At FAU!

You can discover organizations and track your involvement in Owl Central, at fau.campuslabs.com/engage

DINING OPTIONS

While living on campus, you will have a wide variety of dining options, including:

Atlantic Dining Hall

Brewbike

Chick-Fil-A

Einstein Bros. Bagels

Athletics

Whether you are playing on the field or cheering for one of our teams, taking part in FAU Athletics – or Winning In Paradise, as we like to call it – is always a highlight on campus. As an NCAA Division I (Football Bowl Subdivision) university, FAU Athletics' core values of purpose, inclusion, integrity, enthusiasm and ambition lead to an inclusive culture of academic and athletic excellence. FAU Athletics' mission is to create a brighter future for FAU through student-athlete success.

Career Center

Florida Atlantic University's nationally recognized Career Center is dedicated to supporting current students and alumni in building meaningful careers and a successful future. But how can the Career Center help you?

Not sure where your interests lie? All FAU students can take advantage of Major KnOWledge, an early exploration tool which helps our students identify personal interests and their relationships to majors and career pathways.

Perhaps you know the type of career you want, but not sure where the jobs are, or how to get an internship? The FAU Career Center has the tools, resources, structure, and experience to support all students, across all majors.

We can all use a little coaching, so why not take advantage of FAU's nationally credentialed Career Coaches? Our team can help research employers, build resumes, assist with focused interview skills, and much more.

Over 18,000+ employers are currently approved in Handshake, FAU's online career management system. Handshake is a top way college students connect with career programs and employers who are looking to hire students for internships, part-time roles, and fulltime career opportunities.

Perhaps you are looking for the right outfit to make that great first impression in an interview? Our professional clothes closet offers students with interview clothing at no charge.

The FAU Career Center is nationally recognized for:

- Outstanding Career Practitioner of the Year Award (National Career Development Association)
- Best Practices for Career Readiness in Internship Programs (Cooperative Education & Internship Association)

By developing strong industry and employer relationships and implementing best-in-class, forward leaning career readiness programs and platforms, with experiential learning opportunities, the FAU Career Center is ready to prepare students for life after college.

Honors Programs

Florida Atlantic University offers distinct honors opportunities for students to collaborate with our expert faculty and engage in the excitement of exploring new ideas and creative thinking to solve real-world problems. For more information about honors opportunities, visit fau.edu/admissions/honors

Harriet L. Wilkes Honors College

Located on the Jupiter campus, the Wilkes Honors College is a selective, residential, four-year liberal arts and sciences college for students who are highly motivated and interested in an all-honors experience. Wilkes Honors College students benefit from experiential learning and research opportunities, an average class size of 15 students, and personal attention from distinguished faculty.

Wilkes Medical Scholars BS/MD Program

This is an early-admission program into FAU's medical school for highly qualified high school seniors who strongly desire to pursue medicine as a career. Students receive a Bachelor's degree from the Wilkes Honors College in Jupiter and an M.D. from FAU's College of Medicine in Boca Raton.

The University Honors Program

Available on the Boca Raton Campus, the University Honors Program is an excellent beginning for a distinguished academic career with exceptional learning opportunities through special Honors Seminars. Advantages include small class sizes, connections with top-ranked faculty, special advising, and early registration.

Max Planck Honors Program

The Max Planck Florida Institute for Neuroscience is housed on the FAU Jupiter Campus and is one of the most premier neuroscience partnerships in the world. This program provides honors students with exclusive enrichment opportunities, which include courses taught or co-taught with Max Planck scientists.

Students work with world-class faculty researchers through a summer research program and have opportunities for directed independent research and an honors thesis with program faculty.

PURSUE A CAREER IN NURSING!

561.297.3887 | nursing@fau.edu | nursing.fau.edu

Accelerated BSN

The Bachelor of Science in Nursing Accelerated track (BSN) is specifically designed for the student with a baccalaureate degree in another field who wants to become a Registered Nurse. This limited-access four-semester program on the Boca Raton campus is a fast-track to a professional nursing career. The intensive program of full-time academic study is for individuals looking for a stimulating career in nursing.

Working Professional Part-Time BSN program

The second-degree part-time track in the Bachelor of Science in Nursing (BSN) Program on the Davie Campus prepares working professionals with a bachelor degree or higher in another discipline as professional nurses. Scheduling formats include a live class one evening a week, weekends, online and live streaming courses. With enrollments in six consecutive semesters, students can complete their BSN degree in two years.

Florida Atlantic University's Christine E. Lynn College of Nursing is recognized for its top programs by U.S. News & World Report.

FAU's College of Nursing is accredited by the CCNE. It is the only university in the U.S. to have all its degree programs endorsed by the American Holistic Nursing Credentialing Center.

GO OWLS!

Research

Why get involved in research and creative activities?

Florida Atlantic University students have opportunities to do so much more than classroom learning! All 10 of FAU's colleges offer students the chance to work with world-renowned faculty on research that is helping to solve real-world problems. While research is most common in the life and physical sciences, it is also found in humanities, social sciences, and creative and performing arts.

The Office of Undergraduate Research and Inquiry (OURI)

OURI offers a nationally recognized program while sticking true to its mission – Undergraduate research for all!

Students can conduct surveys on current issues, collect data from field stations, engage in creative art projects, or create real-world business startups. Still, why should a student take on undergraduate research. Here are just a few reasons:

- Receive a university wide Undergraduate Research Certificate
- Better prepare yourself for graduate or medical school
- Build your resume and differentiate yourself from other applicants for jobs
- Earn research grants
- Get opportunities to present and publish your ideas
- Also faculty mentorship guarantees the most awesome letters of recommendation.

Our Owls are contributing to FAU's culture of discovery, innovation and entrepreneurship—and in the process, they're bolstering their education, transforming their lives and making an impact on the world. To learn more about your research possibilities at FAU, visit fau.edu/ouri.

Arts & Culture

Arts and culture are a major part of student life at FAU. The Department of Theatre and Dance puts on four student-produced plays every year, and Festival Repertory Theatre brings in professional actors to work alongside students over the summer. Theatre students also benefit from performing at Theatre Lab, the award-winning, on-campus professional theatre whose mission is to inspire,

develop and produce new work in American theatre. Three annual dance performances round out the departments' offerings.

Professional and student music groups from jazz to classical to rock present more than 30 concerts in the 500-seat University Theatre. Students also produce their own music through FAU's Hoot/Wisdom Recordings, one of the only on-campus music record labels in the country.

The Ritter and Schmidt Galleries exhibit work by guest artists throughout the year. The annual Juried Student Exhibition also presents works by nearly 100 FAU students majoring in and outside of the Department of Visual Arts and Art History.

Students can also take advantage of by visiting lecturers, poetry readings, panel discussions and more. And finally, the on-campus **Living Room Theatres** present movies with an on-site café at night and on weekends.

Whether it's as a patron or a participant, the possibilities for arts and culture at FAU are limitless. To learn more visit fau.edu/arts.

Link – Transfer Success Program

Through the FAU Link Program you can start your 4-year degree at a partner state college, and upon earning your Associate in Arts degree, continue your education at FAU through guaranteed admission*

Advantages:

- Guaranteed priority admission to FAU*
- Invitations to select FAU student events

- Exclusive access to Link Scholarship (if eligible)

- On-site advising by an FAU Link Advisor at your state college

- Access to select FAU student services – library, recreation center, career center

*Guaranteed and priority admission based on meeting FAU admissions requirements. Consistent with University Policy. Limited access and restricted programs may require additional admissions process.

Top 5

University in the nation for transfer student success
