Florida Atlantic students are contributing to a culture of discovery, innovation, and entrepreneurship through their research. In the process, they are able to:

**INCREASE** the likelihood of graduating on time

**DEVELOP** core professional skills

**STAND OUT** when taking next professional step

**ENHANCE** their learning and networking opportunities

**FOSTER** professional relationships with faculty

Students’ *curiosity and passion for research* is refreshing. As undergraduates, they are already contributing original work to the scientific community.”

—Donna Chamely-Wiik, Ph.D.
Associate dean for Undergraduate Research and Prestigious Fellowships and associate scientist in the Department of Chemistry and Biochemistry

Dining Options
A wide variety of dining options that cater to any dietary requirements are available. To view all options, including meal plans with the Atlantic Dining Hall, visit fau.edu/business-services/dining-locations

Housing Highlights
• Utilities, cable via streaming, WIFI, and laundry are all included.
• Fully-furnished rooms
• Residential student parking
• Free tutoring at Get Wise! Centers
• 24/7 security—main desk operations and on-campus police dept
• Swipe-access entry

Living on Campus
By living on campus, you get to be close to all of the action—classes, organizations, on-campus events, campus dining, and the Breezeway!

Choose from 4 first-year residence halls—Atlantic Park Towers, Glades Park Towers, Heritage Park Towers, or Indian River Towers.

All first-year Owls are prioritized for summer/fall on-campus housing for those who submit a housing contract by the April 1 priority deadline. There is limited space, though, for housing in the spring semester. There is no requirement for students to live on the Boca Raton campus but for Wilkes Honors students, on-campus residency is required for two years.
