• A portfolio and letter of intent are required in order to be considered for admission into the Bachelor of Architecture program. The Bachelor of Architecture program is a limited access program, and meeting the minimum requirements on this sheet **does not** guarantee acceptance into the program.

• Students accepted into the Bachelor of Architecture program are encouraged to begin taking junior level courses during the summer prior to their first upper division studio.

• For the course(s) above to count towards this major, a grade of "B" or better is required.

• A portfolio is required for admission to the School of Architecture. Please see application details [here](#).
