Greetings,

After reviewing the 2-year Interim Progress Report (IPR) submitted by Florida Atlantic University, the National Architectural Accrediting Board (NAAB) has concluded that the program has demonstrated progress toward addressing deficiencies identified in the most recent Visiting Team Report; the fifth-year report must provide an update on anticipated leadership changes, both within the College and within the School of Architecture. The annual statistical report is still required.

Statistical Reports are still due annually.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,
