

JUNE 22 – JUNE 26

SCIFI COLLAB LAB

Intensive Creative Writing Summer Camp for Teens

SciFi Collab Lab is a one-week, intensive creative writing experience for students in grades 9 – 12 (ages 14-18). Campers will explore the key aspects of writing science fiction and fantasy stories through a combination of exercises, craft talks, and directed readings. Elements such as plot, character, voice, and setting will all be considered. Working together to come up with new worlds and new characters to inhabit them, campers will write short stories that will be published in a magazine they can take home at the end of the session.

**Registration
Deadline: June 19th**

**Tuition: \$290
Includes deposit
