Fine Arts Festival Website

In accordance with the FAU Fine Arts Festival on November 12-13, 2011, the University Galleries will be hosting a range of activities for children, adults, and the whole family to enjoy. These activities include a Scavenger Hunt, Guided Tours, and an Art Activities Table. There will be two different Scavenger Hunts, one designed for young children and one for all ages that the whole family can enjoy together. We'll be hosting several Guided Tours to be held at specific times throughout the day. These times will be posted the day of the festival and announced fifteen minutes prior to the start of each tour. The Art Activities table will be set up behind the Performing Arts building for the children to create their own artworks based on artworks discovered during the Scavenger Hunt and discussed during the tours. These activities will entertain and allow the whole family to come together and enjoy an art-filled afternoon.
