

THE SIDNEY A. GOODMAN GRADUATE STIPEND ENHANCEMENT

Sidney A. Goodman (1933-2017) an avid reader and student of diplomatic history, enrolled in FAU's History M.A. program in 2009 following a successful career of over fifty years in business. He returned to the classroom with a zest for learning and mentored many graduate students before his death in July 2017, age 83. He was awarded the M.A. degree posthumously in December 2017.

In honor of Sid's commitment to education, his wife of 63 years, Barbara Goodman, along with his children Karl Goodman, Debbie Haft, and William Goodman, have established the Sidney A. Goodman Graduate Stipend Enhancement. Their gift will provide a meritorious incoming graduate student who also serves as a Graduate Teaching Assistant with a stipend enhancement of \$1000 per year for up to two academic years. Students who apply for Fall semester enrollment by February 15 will be considered for the award.
