THE HISTORY MINOR

Students majoring in any discipline other than History are eligible to complete a minor in History. This minor allows students to tailor their courses to a particular area of history or select a broad assortment of courses in different areas.

Course requirements for the History minor

1. Completion of 18 credits in history courses, at least 15 of which must be at the upper-division in at least two geographical areas: U.S., Europe, Latin America, Non-Western. (In other words, all 15 upper division credits cannot be in one area, such as U.S. history)
2. Of the 18 credits, at least 15 must be taken at FAU.
3. All 18 credit hours in these courses must be completed with a grade of "C" or better to count towards the history minor.

Students interested in a minor in History should contact the chair of the History Department for advisement, and then notify student services (AH 213) of their intention to declare the minor.

Course Checklist for the History Minor:

Track one: "1 plus five" (1 lower division course, plus 5 upper division courses):

One of the following counts towards the minor (3cr)
