"EXPRESSIONS OF KINDNESS" MULTI-ARTS STUDENT SHOWCASE

Who better to change the world than the next generation?

Using her music as her message...award-winning performer, songwriter, actress, and mega social media influencer and South Florida native Montana Tucker will light up Florida Atlantic University's biggest stage on January 15 at 4 p.m. when she headlines a Concert-4-Kindness™. To amplify kindness and inspire unity and peace, Tucker and her dancers, students, and community arts groups from all backgrounds will perform songs, dances, instrumentals, poetry and videos, intermingled with "kindness" cameos by Montana's friends in the arts and entertainment industry.

Montana wants you to be part of this special day.

By entering the concert's **"EXPRESSIONS OF KINDNESS" STUDENT SHOWCASE** initiative co-hosted by Montana and FAU, you could **win the opportunity** to be on stage with her during one of her performances, win prizes and/or have your art shared that day or on social media, etc.
