

Apply to Become a Gutterman Outstanding Educator

The award recognizes educators who have demonstrated a positive impact on their schools and community in the field of Holocaust, genocide, and human rights education. Established by Arthur Gutterman for FAU's Arthur and Emalie Gutterman Family Center for Holocaust and Human Rights Education, the award honors individuals who actively, through teaching about these difficult subjects and their personal example, strengthen South Florida students' world-citizenship and capacity to uphold the dignity of all persons.

Gutterman Outstanding Educators will be recognized at the Annual Educators Appreciation Dinner in November. The award enables recipients to participate in a Holocaust travel-study program funded by the Gutterman Family CHHRE.

Awards will be presented to teachers who have taught about the Holocaust, other genocide/s, and human rights for at least three years in Broward, Palm Beach, Martin, St. Lucie, Indian River Counties in Florida.
