(SOCIOLOGY STUDENT ASSOCIATION)

The Sociology Student Association (SSA) will be having its first meeting on **Thursday, February 2nd 2017 at 7pm** in the Sociology department conference room, **CU 249**. Light refreshments will be provided.

At the meeting will be to go over ideas for potential events, discuss leadership positions and officer roles for the upcoming academic year, and get acquainted with one another.

If you are interested in joining the SSA and are able to come to our first meeting, please contact Ashley Ostroot (aostroot@fau.edu) no later than January 30th to RSVP. If you are interested in holding an officer position, please state this in your email along with why you are interested in and qualified for the position.

The SSA is a student-led club for all current FAU sociology majors and minors. The goal for this organization is to provide a social networking group for sociology students; to promote community among faculty, graduate students, and undergraduates; and to organize events that facilitate discussion and promote awareness about issues affecting our society.
