Welcome to Dances We Dance: Spring Fling!

Welcome to Dances We Dance: Spring Fling! This concert marks the end of the spring semester as well as the end of academic year for the dance program. In the spirit of arts education collegial sharing, visiting instructor Ariel Baron-Robbins's Painting 1 class is exhibiting in the lobby what they created from viewing Modern Dance 1 in the dance studio this semester.

The Department of Theatre and Dance does not have a dance major, but a dance minor is in the offing. This showcase is populated by students from numerous other areas of study at FAU. With nearly 100 students from every college under the University umbrella involved in this showcase, Dances We Dance is the University on stage! If the dances you see inspire you to study dance, please reference the Department of Theatre and Dance course listings in FAU's online catalog (at www.fau.edu) and/or the contact information for each club at the back of the program. Club participation is ongoing and open to FAU faculty, staff and students as well as alumni and community members for a nominal fee.

Dances We Dance is a capstone experience for students enrolled in all genres and levels of dance in the Department of Theatre and Dance. After a semester of dance studies, students have the opportunity to create dances, learn choreography, work cooperatively and collaboratively, exhibit technical skills, explore expressiveness and experience the thrill of performance in front of an audience. This showcase would not be possible if not for the hours of dedication that these students, club leaders, guest choreographers, alumni, staff and faculty have contributed to bring a production like this to its feet. I am so deeply indebted and grateful to them all for their sweat, effort and energy in bringing dance to this community. Thank you to you as well for your patronage and we hope to see you at our next showcase.
