NOTE: Transfer students seeking a Minor in Theatre may apply *equivalent* lower level courses only (1000 and 2000), toward their minor. *Equivalence* will be determined by the student's academic advisor in the Theatre Department. At least 75 percent of all credits required for the minor must be earned at FAU. A minimum of nine credit hours must be unique to the minor and may not be used to satisfy requirements in the major.

NOTE: In order to enroll in an upper division elective course, students must have taken the appropriate course prerequisites or have received permission from the instructor. Lower division prerequisites will not count toward the 18 credit requirement for the minor.

NOTE: *The upper division courses suggested above do not have prerequisites.

*Starting in Spring 2013, all students majoring in Theatre are required to assume a leadership role in two (2) theatre or dance productions by serving as a crew head, a Stage Manager, or an Assistant Stage Manager. The student must enroll under the Special Topics Course for the appropriate number of credits listed on the checksheet.

NOTE: See catalog for full degree requirements, course descriptions, prerequisites and additional information. The requirements for some IFP courses & other courses may be satisfied by passing the appropriate AP or CLEP exam. Check with your college advisor.
